Liebe Teilnehmer, liebe Freunde des American Quarter Horse, geschätzte Sponsoren, die Welt ist aus den Fugen geraten, Vereine und Anlässe kämpfen ums Überleben. Deshalb ist es wichtig an Bewährtem und Geliebtem festzuhalten. Bereits zum 36. Mal findet die Europameisterschaft der American Quarter Horses statt. Mittlerweile der grösste sportliche Quarter Horse Anlass in Europa. Neben dem Sport ist es wichtig, zusammen ein Ziel zu verfolgen und kollegial darauf hin zu arbeiten.

Dazu soll die ECQH beitragen. Es freut mich eine grosse Palette an Disziplinen anzubieten und die Bedingungen für Pferde, Reiter, Pferdebesitzer und Zuschauer angenehm zu gestalten. Dazu trägt der langjährige Austragungsort Kreuth mit seiner guten Infrastruktur für Mensch und Tier sowie das langjährige Showmanagement mit der bewährten Helfercrew maßgeblich bei.

Neben den traditionellen AQHA Klassen führen wir den Kumlegaard Young Horse Cup, die Pleasure Celebration, die Ranch Riding Challenge, die English Challenge neu als Versatility wie zukünftig in der AQHA World Show und den Glamour Girl Celebration Trail sowie diverse IRHA Ranch Horse Wettbewerbe durch. Ebenso integriert ist seit Jahren die NSBA Futurity und heuer erstmals auch die DQHA Futurity und Maturity. Damit sollen möglichst viele Möglichkeiten geboten werden die Pferde zu showen und den Zuschauern spannenden Sport zu zeigen.

Neben dem Sport wird mit der schon traditionellen Arena Party am Donnerstag auch die Geselligkeit nicht zu kurz kommen.

Es freut mich besonders dieses Jahr eine hochkarätige Delegation der AQHA begrüßen zu dürfen. Chief Executive Officer Dave Dellin, First Vice President Lori Bucholz, Director of Competition and International Scott Neuman und mehrere AQHA Staff Members werden während den Finals bei uns zu Gast sein.

Ich bedanke mich herzlich bei allen Teilnehmern, dem Showmanagement, den Helfern, den vielen Sponsoren und der AQHA. Gerade die treuen und verlässlichen Sponsoren und Unterstützer sind enorm wichtig um eine attraktive Show durchführen zu können.

Herzlich willkommen in Kreuth zu einer packenden und fairen ECQH 2026.

Mit herzlichen Grüßen
Markus Müller
Präsident FEQHA

Dear Participants, Dear Friends of the American Quarter Horse, Esteemed Sponsors, the world has been turned upside down, and clubs and events are struggling to survive. That is why it is important to hold on to what has been tried and true and what we love. The European Championship for American Quarter Horses is taking place for the 36th time. It has now become the largest Quarter Horse sporting event in Europe. Beyond the sport itself, it is important to pursue a common goal together and work toward it in a spirit of collegiality.

The ECQH aims to contribute to this. I am pleased to offer a wide range of disciplines and to create a pleasant environment for horses, riders, horse owners, and spectators. The long-standing venue in Kreuth, with its excellent infrastructure for both people and animals, as well as the experienced show management team and its trusted crew of volunteers, play a significant role in this.

In addition to the traditional AQHA classes, we host the Kumlegaard Young Horse Cup, the Pleasure Celebration, the Ranch Riding Challenge, the English Challenge - now rebranded as "Versatility," as it will be at the AQHA World Show in the future - and the Glamour Girl Celebration Trail, as well as various IRHA Ranch Horse competitions. The NSBA Futurity has also been a regular feature for years, and this year, for the first time, the DQHA Futurity and Maturity will be included. The goal is to offer as many opportunities as possible to showcase the horses and present exciting competition to the spectators. In addition to the competition, the now-traditional Arena Party on Thursday ensures that socializing is not neglected.

I am particularly pleased to welcome a high-profile delegation from the AQHA this year. Chief Executive Officer Dave Dellin, First Vice President Lori Bucholz, Director of Competition and International Scott Neuman, and several AQHA staff members will be our guests during the Finals.

I would like to extend my heartfelt thanks to all participants, the show management, the volunteers, the many sponsors, and the AQHA. Our loyal and reliable sponsors and supporters, in particular, are absolutely essential to putting on an exciting show.

A warm welcome to Kreuth for an exciting and fair ECQH 2026.

Markus Müller

President, FEQHA

It is my great pleasure to welcome you to the FEQHA European Championships, an event that represents not only elite competition, but also the passion, dedication and spirit of the American Quarter Horse community across Europe.

The growth of our industry internationally continues to be one of the most exciting aspects of our association's future. Across Europe, we see horsemen and women who are deeply committed to excellence, sportsmanship and preserving the values that make our western way of life so special. The FEQHA European Championships stand as a testament to that commitment.

This event brings together competitors, families, breeders, owners, exhibitors and fans from many nations, all united by a shared love for the American Quarter Horse and the opportunities these horses create. Whether you are stepping into the arena as a competitor, supporting from the sidelines, or attending as a first-time spectator, you are an important part of this remarkable community.

Championship events like this do more than crown winners. They strengthen friendships across borders, inspire the next generation of riders and leaders, and showcase the versatility and athleticism of the American Quarter Horse on an international stage.

I want to extend my sincere appreciation to FEQHA, the national affiliates, volunteers, sponsors and event organizers whose hard work and dedication make this championship possible. Events of this caliber are built through countless hours of commitment and a shared vision for the future of our industry.

As we celebrate this year's championships, I encourage everyone to enjoy not only the competition, but also the relationships, learning opportunities and sense of community that define our industry at its very best.

On behalf of AQHA, thank you for your continued passion and support. We are proud to celebrate the success of the European Quarter Horse community and look forward to an exciting future together.

Best wishes for a successful and memorable championship,
